279mm x 368mm x 102mm

Capacity: 400 C-Fold or 525 Multifold

Cabinet has special keyed lock

*Option: TK - Twist lock in lieu of keyed lock.

INSTALLATION:

Provide an area on mounting surface at desired or specified location. Open cover and place unit against wall and transfer mounting points after checks out to be level and is at the proper mounting height. Secure unit to surface with proper fasteners, fill cabinet with towels, close cover and remove key.

Recommend towel dispensing area at a height of 40" above finished floor to meet ADA Code.

APPLICATION:

To provide a surface mounted Uni-Body paper towel cabinet with sloped hood to prevent placing of objects that could cause a hazard.
