U945H-SS: Horizontal Changing Station
Overall Size: 35"W x 20"H x 4"D (closed)
 889mm x 508 mm x 102 mm
 20"D (open) 508mm

***Maintain a static load of 400 lbs.**

Verify Color Required: White _____
 Grey _____

INSTALLATION:

Coordinate installation with architect or contractor to avoid interference with surrounding objects in and out of wall. Making sure unit is level, transfer mounting point locations. Drill pilot holes and secure with proper fasteners for each application. *(Recommend a qualified carpenter to install unit)*

Unit can be lowered with one hand and into position with less than 5 lbs of force, without turning or twisting of wrist.

Verify with local codes and type approach (forward or side) for proper mounting height above finished floor.

APPLICATION:

To provide a surface mounted, stainless steel, retractable changing station.

Form: U945H/2000
